ABOUT REHASENSE

Rehasense is a global healthcare company with a comprehensive portfolio of mobility and care solutions.

We aim to enable mobile freedom and independence for our customers, supporting them in their family, social and professional lives. We achieve this by thinking outside the box when developing future mobility solutions and

by constantly improving our products and our know-how.

The dynamics in the company are characterised by an agile corporate structure and mutual respect.

We would like to take this opportunity to thank our customers for their trust in the Rehasense brand and its products.

TOP TECH EXPERTS

The interdisciplinary Rehasense team is made up of specialists in engineering, product design and the luxury goods industry with decades of professional experience. Rehasense specialises in innovative quality products for the rehabilitation market with focus on safety, compliance, design, and functionality. The product range includes

mobility aids such as rollators, power add-ons, wheelchairs as well as care beds, transfer aids and ramps. All products are manufactured in accordance with QMS, which is certified based on ISO 9001 and ISO 13485 international standards and meet local regulatory requirements (e.g., MDR).

PATENT

SPARK CF

THE ELEGANT CARBON ROLLATOR

THE PREMIUM CLASS

Following the Rehasense Design principles of Safety, Comfort, Functionality, our R&D team have been pioneers in the manufacture of carbon fibre rollators and produce the lightest carbon fibre rollators currently available. The stylish frame from SPARK CF is inspired by the puristic style of Danish Design. Increased user comfort is provided by the intelligent handle height adjustment.

SPARK INDOOR

THE AGILE ONE FOR THE HOME

"The peace of mind my father and I had since my mother received her SPARK INDOOR is priceless. After recent knee surgery she has had trouble getting around the house independently but not any more thanks to the SPARK INDOOR".

Manuel from Berlin

THE COMPANION AT HOME

The SPARK INDOOR was designed especially for indoor use. The stylish rollator with the patented "Click & Safe" safety catch has a large tray and can also be used as a practical side table if required. The shock-absorbent soft wheels and the innovative flexi frame make it easy to overcome small obstacles such as door thresholds. The stylish companion for home is available in three stunning designs.

FEATURES AT A GLANCE

- Large, dishwasher-safe tray
- Handy net bag for mobile phone, glasses, cosmetics, medicines and remote control etc.
- Removable fabric bag
- Soft and comfortable handle grip
- Safety brake control bar with wide handle
- User friendly and easily adjustable handle height (34-38 in)
- Use as a side table: design allows it to slide easily under or over the bed, couch etc.
- Integrated wheel fork prevent the SPARK INDOOR getting stuck and scratching furniture
